# INVITATION

**THE 9<sup>TH</sup> INTERNATIONAL SYMPÓZIUM**

**WOOD-DAMAGING FUNGI 2016**

**12. – 14. 09. 2016**

**Zvolen – Kráľová**

**SLOVAK REPUBLIC**

The Technical University in Zvolen invites you  
to the 9<sup>th</sup> International Symposium

## WOOD-DAMAGING FUNGI 2016

### THE ATTENTION OF THE SYMPOSIUM

- biology, ecology and taxonomy of the wood-damaging fungi,
- fungi in forest ecosystems,
- natural resistance of trees and wood against fungi
- fungi in logs, wood products and buildings,
- mushroom cultivation,
- positive effects of fungi for human body,
- use of wood damaging fungi in biotechnology,
- wood decay a structural characteristics of wood during fungal contamination,
- properties of wood and wood composites damaged by fungi
- accumulation of contaminants in wood-destroying fungi,
- methods of wood rotting identification,
- protection (chemical, biological) of tree logs, timbers and wood products against fungi.

### THE PRELIMINARY TIMETABLE OF THE SYMPOSIUM

#### September 12<sup>th</sup>, 2016

12.00 – 18.00 registration  
poster installation and discussion

#### September 13<sup>th</sup>, 2016

9.00 – 18.00 presentation – papers, posters  
od 19.00 symposium dinner

#### September 14<sup>th</sup>, 2016

09.00 – 16.00 the field trip and excursion  
16.00 – 20.00 closed and informal discussion
